Ma Young-lan, the inheritor of Dotorim Bang.

People of Dotorim Bang are capable of using various poisonous techniques.

However, they are also very adept at using needles for the Blood Path technique.

I barely managed to come out
on top last time we fought...

but not this
time...!!

Right now, that woman is far stronger, having consumed the Crimson White Flower...

and I can barely stand properly because of my injuries...

The moment she obtained the Crimson White Flower, she planned on going to the Mysterious Shifting Forest to finish me off.

Because it was hard to escape from her...
I could only confront her directly...

But now, that....

Is in the
hands of Huh
Gongja...!!

Chapter 82
Snow White - II

Impossible...!!
Tifa is...

a perfect
Shifting
Stance...!!

How surprising...
not only does
the youngest has
a technique like
that...

but it's similar
to the one that
lady used... Just
what is...

Nevertheless,
thanks to him...
we have hope
now...

The reason
doesn't matter.

he single-
handedly took down
the man that all of
us combined could
not.

And now, he's
facing off on
equal ground
against

someone who
seems to be
stronger than
that man.

He's
definitely...
calm right
now...

But why
do I feel so
uneasy...??

Calm down...

If you calm down, you can do
something about this situation...!!

Position yourself with the **Shifting Stance**
and concentrate as much as you can with
the **Three Step Running Strike**...

No matter how strong she is, I can take her down with one punch!

No...

If I can't do it,

LONE MANGA

everyone, including Lady Snow White, will be in danger!!

...!!

So...

First Step

I definitely...

Second Step

must take
this woman
down!!

No, Huh
Gongxi!!

You mustn't
attack like
that...

I was surprised that you were able to use the Shifting Stance, however...

It must be
because you
learned it from
that wench...

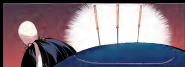

You have the
same weakness
as her!!!

OK

WY

The reason
why Huh Gongjo's
technique went
well up until
now...

was because he
was using the Shifting
Stance as a distraction
while he was finding the
best position to strike
his opponent from...

But he
rushed it too
much this
time,

so the
vulnerability of
this technique was
exposed...!!

It's the
same mistake
I made...!!

I struck you
perfectly, so your
movements should be
completely sealed!!

However,

you must have been serious when you said you defeated Gyo-kyung, since you are able to use the Shifting Stance...

In that case,

you must pay the price!!

LONE MANGA!

Hmph

Finally

Have you
decided to
take action?

Maybe I was too dependent on Huh Gongja...

I'm sorry, Huh Gongja...

The order in which you die doesn't matter to me!!

LONE MANGA

Is there nothing I can do?
